

Welcome to Parsons Hilltop Safari Camps

Parsons Hilltop Safari Camps offer personal, private and exclusive safari stays. We are situated in the Greater Kruger Park and surrounded by the Big Five. It is our mission to let you experience the authentic bush and indulge yourself in the sounds, smells, skies and tastes of South Africa's Lowveld.

We love to share our magical wildlife and nature with you and give you an unforgettable safari experience!

Besides your safaris, we can arrange other activities for you as well: day trips, massages at your accommodation, and action and adventure activities. Ask us for more information!

We are your host and concierge for a truly memorable and personalised bush experience.
